

The Muskellunge Club of Wisconsin 2009 Annual Report

46" – Trout Lake

56th Anniversary

1953 – 2009

Musky fisherman, it has been said, are hopeless romantics. Not so. They're romantics all right, but they're also full of hope and anticipation of the satisfaction that only a muskie can provide.

A tradition of sportsmanship continues

Our 56th Year 2009 Fishing Results
