MCW Mission Statement

(Adopted January 8, 2014)

The Muskellunge Club of Wisconsin is a non-profit organization of anglers that promotes the conservation of a valuable Wisconsin natural resource, the Wisconsin state fish, the Muskellunge – *Esox Masquinongy* – for present and future fishing enjoyment of MCW members and the general public. MCW events encourage camaraderie, emphasize education and the encouragement of catch and release, and serve as fundraisers for stocking while recognizing, celebrating and upholding the heritage of the club.

Who are we?

Officers and Board of Directors

- **President..... Scott Wilkie**
- **Vice President..... Andy Van Slett**
- **Treasurer..... Pat Ryan**
- **Secretary..... Dave Dawson**
- **Board of Directors..... Brandon Crawford**
Rich Garner
Kurt Ketcham
Mike Nerad

President's Message

Since the last newsletter we have stocked La Belle and Pewaukee Lakes, had two one day outings to lakes Random and Waubesa, collected over \$2000 in raffle revenue from our work with the Alliance, received almost \$1600 in personal

Club president, Scott Wilkie with his 38.5" Fall League muskie that was netted by our league champion – see page 7.

Thanks to Musky Clubs Alliance of Wisconsin

The MCW wishes to extend its appreciation to the Musky Clubs Alliance of Wisconsin, whose efforts enable the Alliance Ranger boat raffle. This annual raffle helps musky fishing clubs across Wisconsin raise money for the stocking, habitat, and research enhancement for muskies in Wisconsin waters, and other conservation and education projects. This huge undertaking, all done with volunteer help; resulted in over \$83,000 in 2015. Of that, \$2,070 came back to the Muskellunge Club of Wisconsin.

donations for the stocking fund, wrapped up the MCW fall league, and we had our MCW October member meeting! Along with all that came a lot of good publicity, and we are building strong relationships with the Milwaukee Chapter of Muskies, Inc. and Take a Vet Fishing.

Our next meeting is November 11th, and Ben Heussner of the WI DNR will be joining us. He will discuss study findings and future plans for Southeast Wisconsin. A swap meet is planned for the second Wednesday of December.

Info on all of this and more can be found in this newsletter. Read it, enjoy, and remember that every day is a blessing, and get on the water!
