MCW Presents Our Fall League Traveling Trophy

After our members enjoyed the first 4 MCW Spring League seasons, we decided to try a fall league. Those who participated in our first fall league in 2015 had a great time and caught 2 muskies. Our first league champion received a small, personalized keep-sake MCW Fall League Champion plaque, but we didn't have a traveling trophy to present at our March 2016 awards banquet.

Year 2 of our fall league saw more than twice the participation and twice the number of muskies caught including week 4 when 2 muskies were in the same net at the same time! Yes, it was pretty crazy!

It was obvious that our fall league was here to stay. And it was apparent we needed a new MCW Fall League Traveling Trophy to present at future awards banquets. But what kind of traveling trophy did we want?

MCW Board approval led to an idea that made use of the technology behind these personalized plaques we first presented at our annual awards banquet in March 2016. This new plaque reflects on the origin of our club and incorporates a silhouette of our actual season 1 champion holding our club logo's MCW fish that subtly recognizes him while generically representing all past, present, and future MCW Fall League Champions. And this graphic aesthetically completes our new traveling trophy above the banner in the middle that clearly identifies our club and the reason for it. We intend for this plaque to be enjoyed by many far into the future! Congratulations to all past, present, and future MCW Fall League Champions!

With pride and admiration, we present this new MCW Fall League Traveling Trophy on this day - November 9, 2016 - to our season 1 champion, Rich Garner!
