Muskellunge Affidavit Form

The Muskellunge Club of Wisconsin firmly believes in and encourages releasing all muskies. Our members are urged to register all muskies caught of any length. All muskies registered can be considered for club awards in our members-only fishing contest. (If desired, members may opt out of having their muskie catch be considered for an award.) To qualify for any award, a club member must measure the fish, submit a photo of the fish, and fill out this affidavit form in its entirety. The affidavit form must be 1) entered online or 2) postmarked if mailing a paper copy by the 10th of the month following the date of catch to qualify for an award. Digital photos are preferred and can be emailed to info@muskiewi.org or any of our officers or board members. Printed photos are discouraged but may be mailed to the club address.

I, _____ hereby swear that the following statements are the truth, and that the witness actually observed the measuring of the muskellunge caught by me.

Member Status: Junior Senior
